# IVAN DANASUTA

Hi, im Ivan Danasuta, a fresh graduate student from the Department of Business Information Systems who is currently looking to gain experience in the world of work. I have an interest in a field that relies on creativity at work. This is evident from my work experience when participating in several organizations or committees within the campus environment where I often join and are trusted in Event Organizer Division and Design/Documentation Division. I hope to be able to use all skills that I have learned while studying in the world of work.
